

Consent form

Consent form for using Child information For Students

I _____ as part of my professional development as an
[Students name]

Early Childhood Educator I am studying with the Australian Early Childhood College a Nationally Recognised Training Organisation.

As part of my training and assessment activities I am required to observe, document and take photos of children in my care. These observations, documents and photos will only be used to meet the requirements of the qualification I am completing.

Codes will be used to protect your child's identity and their right to confidentiality. No information around their home address or other contact information will be provided. These materials will not be used in any other way.

This permission can be rescinded at any time by written notice from the signatory.

I _____ (parent/guardian) give permission for my

Child _____ (child's name) to be included in the processes described above.

Only while he/she is in attendance at:

[Name of Centre]

Signature of parent/guardian;

_____ Date: _____

This form must be submitted to your Trainer/Assessor so it can be stored in your Summary Record File at the Australian Early Childhood College's Head Office.
